WORDSWORTH

"Words embody power to inspire or motivate us, but it is only we who have the power to open up to see and feel it."

A single word you see, can be a gathering of several many words, all you require is to look out. Little bit vocabulary, added with presence of mind and a perfect pace with the clock, can make the game yours.

DATE: 13th April onwards.

Team Size:

Maximum of two members per team.

General Rules:

➢ This is a flash event.

➢ Teams will compete against each other in making the maximum number of possible meaningful words using the letters of the given long word.

➢ The letters of the words formed has to be from the given parent word. However, the letters cannot be repeatedly used in the newly made word (for example- the word MOON will be considered invalid).

➢ The individual with the maximum number of newly made 'meaningful' words in the given frame of time will be the winner.

➢ In case of tie the individual who comes up with maximum number of longer words will be considered the winner (that is, the word ROUSE will have more weightage than RICE or TIN).
